The Next activity is at St.Thomas Old Home, Trichy. This home is a house for 98 the old people staying away from the home, from their children, or left to themselves is not considered to be a very happy situation. of various needs., It is the breakup of the system of the joint family and the introduction of a nuclear family that has brought this unhappy situation enter our society, and the old age homes have had to come up to cater to the needs of the elderly.

The Identification of their prime need told us to give one Day Afternoon Lunch attire which can bring in positive energy and confidence., Our board members decided to go ahead in donation lunch for old home., with the help of Volunteers we mobilized all the resources for the Programme. Mr.Claria is a Instrumental in helping us out in reaching this children., who is the Managing director of St.Thomes Old Home. The Smile in the young faces gave us the stimulus to work further for their joy & enrichment.

Program Address :   St Thomas Old Age Home  
Madurai Road, Crawford Colony, Trichy, Tamil Nadu  

Program Date : 31.05.2016

Cuddalore Road, Ariyankuppam, Nonankuppam, Pondicherry  

Program Date : 23.06.2016
Free General camps organised in Mutharapalayam on the basis of health needs of a specific location. In health camps aim at promoting health seeking behaviour in the long term and thus, unlike a general curative health camp, these camps also majorly work on building awareness regarding common ailments, nutrition and hygiene and sanitation. In camps provide comprehensive health services free of any cost.

In health camps are organized with support from Mahatma Gandhi medical college and research institute, St. Gabriel Trust NGOs and individual volunteers. Smile has conducted over general health camps on 28.06.16 and has benefitted more than 167 people directly.

A Medical Camp conducted for the Public people in Mutharapalayam, Pondicherry area, where 205 patients were screened for any health ailment and 167 patients referred to Mahatma Gandhi Medical College Hospital for further management.

The medical camp commenced at 9.30 am sharp with the help of medical team from MGMCRI consist of 15 Doctors of various Specialty and para medical Staff.

The BMI for each patient were recorded and every individual is checked for their Blood Pressure. The blood sugar is checked for Fasting and Post prandial is done to the diagnosed diabetic patients. To their surprise we diagnosed & found out 30 newly the Patients. The benefits of the medical camp motivated us to strive towards the Idea of “Healthy Pondicherry”, with the joint venture of Teaching Medical Institutions in Pondicherry.
Free opthal camps organised in Selimedu on the basis of health needs of a specific location. In Opthal Camps aim at promoting health seeking behaviour in the long term and thus, unlike a general curative health camp, these camps also majorly work on building awareness regarding common ailments, nutrition and hygiene and sanitation.
