Introduction

St. Gabriel Educational and Charitable Public Trust was Founded by George Fernandez Fauche and registered as a not-for-profit organization in 2015 under Section Indian Trust Act 1882, registration under section 12AA and 80G of the Income Tax Act 1961 and Register in NITI Aayog. Gabriel Trust started to implement the Integrated Education Development strives to improve the education quality of life of vulnerable urban and rural students.

Education: The focus at education is to offer 360º developments to students, giving them a nurturing environment with sufficient exposure. With the power of 3 constantly being imbibed in academics, sports, extra-curricular and within the dorms, we ensure that the students imbibe these essential 3 qualities, which not only help students realize their passion but equip them to achieve it in an efficient and ethical manner.

As we look to the future, St.GECPT is on stream to become a special learning center, recognized by the Government Education Department, for bringing school children into education. We would like to work with more Government programmers to bring our resources to more underprivileged children. We are applying for another Computer Lab, which has been a huge success.

Vision | Mission | Values

VISION

To create a world class institution to provide education, medical, research services to the socially marginalized and economically deprived sections of society, in order to eventually reduce poverty and bring prosperity.

MISSION

We will improve life chances & outcomes of children & young people with special educational needs.

Our Values

Exceptional learning opportunities where everyone can realise their potential. Innovative Curriculums enrich learning, promotes well-being and improves the life chances of children & young people.
Our Growth Journey

Strategies adopted for expansion were:

- In 2015 First Medical Camp Organized by St. Gabriel Educational and Charitable Public Trust with the support of all Members and continued with three programmers.

Library gives peaceful atmosphere to learn and improve their knowledge.
A Message from
Founder & President, St. GECPT

St. Gabriel Educational and Charitable Public Trust has marched into the Public Charity year 2015 with lots of agenda for donning the mantle in the arena of Education, Awareness programme and Medical Camp which has created lots of expectations to be achieved during the year. The Journey has achieved remarkable credits from the perspectives of review inspection by Indian and International Donor for continuing the service in India and website viewers been increase as one among the best Charitable trust Website

The challenges ahead of us in the coming year are to find ourselves in the country and also there is an immediate need to foster better utilization of our Development programmes, thus boosting our services outputs. Furthermore, collaborative tie-ups with various National and International organizations have to be established in the near future.

I am sure and confident that St. Gabriel Educational and Charitable Public Trust would romp home with greater success in the year 2019. For this, the concept of Team Work should be advocated that would eventually culminate in the mindset of all Trust Members and staffs of our St. Gabriel Educational and Charitable Public Trust
